LWML is planning a special event for the September 12 meeting. We are once again going to tie fleece scarves for the homeless at Faith Mission. Last year we invited families with younger children (not quite old enough to volunteer with other things) to join us in this volunteer opportunity. We had participants from 4 to 80+; men and women; families and individuals. We would like to provide this opportunity again to ALL ages. If you can tie a knot, you can do this! Please mark your calendar to come at 6:30 PM for the project, delicious snacks, and we invite all the women to stay for the devotion and meeting. In order to do this project, we will be collecting donations of fleece material from now till September 4. This is one way YOU can help keep the homeless a little warmer this winter.

St. John Parish Care Board has something to offer YOU! We will be providing some beneficial seminars on a quarterly basis. Our first is on August 20 from 10-11:30. Fellow members Laura Wegener and Beth Herring will give a presentation on the benefits of exercise, no matter your age or condition. Please sign up in the gathering area. In October we will be offering an informational seminar on choosing the right Medicare plan for 2017 from a lady who is dedicated to getting people educated about this most important decision. Are you aware that you must choose every year and there are changes? Early in 2017 Pastor Steinbrenner will have a session on making plans for a Christian funeral. It is never too soon to have plans in place so that your family is not guessing at your wishes. And what better legacy to leave than a funeral that gives glory to God? Sign up now for the August event and more information will come closer to the future events.
