### A message from Mary Jo Reimann

Dear Friends,

You have been an important part of my life, so I want you to know of my plans. All of my children now live outside of Ohio. Each month since retirement, I have driven to St. Louis to help care for my dad (in late-stage dementia) and visit my children, grandchildren, and sisters. It is time to make those visits more permanent.

With mixed feelings, I am preparing to move. While I am excited to be closer to many family members, I am also experiencing pangs of loss for my beloved church and the splendid offerings of central Ohio. Many of you know that David helped plan the new sanctuary, commissioned artwork, jointly designed our magnificent organ, and lifted high a vision for the future of St. John. In this place, I am surrounded by his essence and that is hard to relinquish. Your kindnesses throughout the years have touched me deeply. I thank you. When I glance around on a Sunday, I realize that you have been an integral part of the Reimann family's 'story' and that I know many of *your* stories. Thankfully we are rooted in Christ's love in this shifting world.

To share a few details: I will not be selling my home at this time. Pastor Adam and his family joyfully anticipate living there. I will be moving in mid-March to a house that my parents still own in Florissant, only eight minutes from Mom and Dad. I am now at peace with this move for God has new tasks for me to accomplish; new people to touch. I relish the challenges ahead and move trustingly forward.

Peace be with you, Mary Jo
